Re: Administrative Order on Consent
Removal Action Work Plan for Source Material, Revision 1
Former Crawford Station MGP Site, Chicago, IL

The United States Environmental Protection Agency (EPA), with assistance from the Illinois EPA, reviewed the subject document, as revised, dated September 6, 2011. Based on EPA's review, the revised document has satisfactorily addressed all comments EPA conveyed to Integrays during the August 17, 2011 meeting and via email on August 24, 2011. Consequently, the revised document is approved, per Section X, Paragraph 38(a) of the Administrative Order on Consent (V-W-'08-C-917).

Your attention to this matter is appreciated. If you have any questions, kindly bring it to my attention. I can be reached at 312-886-6195.

Sincerely,
